REASONS FOR ALLOWANCE

1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the references of record teaches or suggests in claims 1: providing a structural member comprising a base member having first and second surfaces, said base member comprising a plurality of mounting stations, each mounting station comprising a cavity wall that surrounds that mounting station and extends from said first surface thereby forming an open cavity around said mounting station; attaching each die to a corresponding one of said mounting stations; positioning a lid sheet over said structural member, said lid sheet comprising a plurality of covers for closing said cavities, said covers being connected to one another by connection member; placing said structural member with said positioned lid sheet in a mold with a molding compound in contact with said lid sheet, said mold having a surface that forces said covers against said cavity while forcing said molding compound between said cavity walls; and causing said molding compound to solidify.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
